

Meeting to be “ZOOMED” 4/22/20 at 6:30pm by Scott Griffin. All you need to do is use your personal computer or cell (SMART) phone and log into www.zoom.com. Click on “Join a Meeting”; then click on or call in with the **Meeting ID number 965-091-6395**. Then click on “OPEN LINK”. Then wait for the HOST (Scott) to let you in. It is that simple. You do not need a web cam if you do not have one. We can still hear you and know that you are in the audience. It is like in the old days with the telephone party line only now video can be done as well. All we are asking is that you simply “TRY” to do it. We do not want this to become the new

normal but some other clubs are doing this in the meantime since physical club meetings are not allowed.

We will have a super simple AGENDA and keep the meeting SHORT to less than 30 minutes. We would ask that you try dn have a show & Tell item to hold up to the monitor so we can all see it. If you do not have a web cam just tell us about it in verbal detail. It will be fun. All members and guests who log in will be entered in to a raffle for a silver .50 half Kennedy. Also door prizes will be awarded to those who also logged in. We hope to see as many of you as possible there. If you do not have a computer you can still use your cell phone or borrow someones for a half hour.

PRESIDENTS MESSAGE:

Well, no meeting was held in March due to the Novel Corona Virus. Since groups of 10 or more are not allowed and due to the severity of this virus on our older population it was in the best interests to NOT conduct this meeting. We even put it to a survey vote and 11 of you voted to NOT have the meeting to just 3 who wanted to have it. The church had no problem with us meeting if we had wanted too. Hopefully we will have an April meeting on the 22nd.

Our excellent Treasurer Scott G. had our raffle tickets made for our August Coin Show. At our next meeting or sooner we will pass them out to start selling. This is where we make most of our profit so we are selling more this year (3000) and starting earlier. If you sell \$100 dollars worth of tickets (tickets are \$1 dollar each or 6 for \$5) you get a 2021 Red book and a Silver Eagle. If you sell \$50 dollars worth of tickets you get just the 2021 Red Book. You can

only receive these items once even if you sell more tickets. Happy selling and good luck to the future winners. Support our club!

I currently have possession of the famous "Jubilee Box" that we stuff with coins, paper money, gift cards, etc. all year round leading up to our Joint Clubs Christmas Party which is set for December 5th, so mark your calendars early for that. We will be having one or two special auctions (Fairfield's is the Flannigan auction and Vallejo's is the Hopperstand auction) to fund this Jubilee Box. It is usually the second prize in the \$50 / \$50 drawing and it has been known to sometimes be picked first as it is more valuable than the cash collected. Time will tell for this year so stay tuned.

Mark your calendars also for this years Joint Picnic held regularly in Vallejo's Regents park. Saturday, September 12th. At last months meeting Mr. Turrini swore in the elected officers (SAME 3 officers who all voted to stay on board for another year.) Yeah team! We had some really good food at this meeting so thanks to all who contributed. Also special thanks to past president- Gene Berry for his constant contributions to the door prizes.

During our April meeting we will be raffling off 1 silver Eagle to one lucky winner who entered the \$7 donation amount or donated a case of water or soda. Winner to be announced in next months newsletter. We were supposed to do this in March but....we all know that meeting did not happen. Bummer!

Don't forget the theme for this meeting is: —Taxes: \$\$ special I.O.U's tokens, paper promissory notes etc. -bring in a show & tell.

**** One new, last thing, I was at Solano Gold and Silver in Vacaville store and they are doing a new fun thing currently for coin collectors. It is a coin or paper bid auction on about 30 items and you can even auction your own stuff there. They take a slight sales commission but it is a WIN WIN thing to do. Check it out. The Auctions run for 2 week increments. You can see the items when you go in the store and make a bid on a piece of paper. Winners are notified.**
