Treasurer's Report

Our finances are in stellar shape; our BIG auction will add to our funds.

Health Update

Mike T. was doing great and getting around famously. He took his EARLY morning walk and was struck by a car and ended up in the Trauma center. He is doing much better now and will hopefully be released from the hospital soon to a rehab center, or maybe home.

Our food for the meeting was catered by the Buckhorn Restaurant in Vacaville thanks to Marc S. He was in charge for the food table. The Buckhorn donated all the delicious food. Wow! We also had Mac & Cheese from Barry B. and cookies from Mike K. and lots of other goodies. Let me know when you bring food so we can say Thank You! Food Planning for April will be Howie T. and Richard W.

Our original Presentation was to be Mike T., but he had other plans at the hospital. Never fear, Scott G. did a great presentation on how we can make connections in this Hobby and create great opportunities. We need more presentations – Please volunteer

PRESIDENTS MESSAGE:

March 2026 - President's Message

Greetings again fellow Numismatics from the Fairfield Coin Club. We had a Grrrr8 March meeting with 34 people present and 5 new members signed up to join the ranks of our club. The weather was perfect and the food tonight was awesome. Marc Sanchez had Tri-Tip and all the fixings from the Vacaville "Buckhorn" restaurant that provided our meal, and to top it off, we later found out that the Buckhorn restaurant donated the food to our club. How cool is that! Please, whenever you go to that restaurant, please give them a BIG THANK YOU from the members of our Fairfield Coin Club.

The rest of the meeting went on as planned and followed the agenda. The treasurer reported that we are in fantastic financial status. Monica mentioned that in May, we will have a BIG Gold and Silver auction for several items that were donated to our club. Proceeds will further benefit the club as it is a type of auction/fundraiser. Don't forget to bring enough money and your checkbook.

Our Secretary, Monica, also addressed tonight's audience with the question: What, Where, and When can we have our catered dinner party, most likely in June? Members were to vote by writing their choice on the back side of their door prize raffle ticket to be collected and tallied. The verdict is in and we will have a catered meal at our meeting location. Caterers to be determined...

On a sad note, we were alerted to the status of Michael Turrini, who was progressing very well from his previous knee surgery but in the early hours of the 25th, while walking outside, he was hit by a vehicle and knocked unconscious with other injuries. He is slowly recuperating at Kaiser hospital. Also, health prayers for Don Hill, who was unable to make tonight's meeting due to a severe cold/flu (NOT COVID).

In Mr. Turrini's absence (who was supposed to give a talk), Scott Griffin spoke on "Making Connections in Our Hobby". This was very interesting. We had 5 Show and Tells tonight and our successful auction, which was led by Past-President Gene Berry.

Well, that is all for now. Come to our next meeting on Wednesday, April 22nd at 6pm. I hope you all have a wonderful Easter. P.S. – Our club could use some cases of water and ice for meeting days, especially now as the weather is getting warmer.
