DECEMBER: DARK – JOINT CHRISTMAS PARTY

Notes from the Officers:

Goodbye 2018. Hello 2019!

Our first Fairfield Coin Club of the year was held this past January 23rd and it was a lot of fun. If you missed it please try and make our February 27th meeting which is also our #500th meeting of our club. We will have a bigger celebration on Sunday, April 7th at 11:00 AM along with our sister coin club (Vallejo) celebrating their 65th anniversary too at the Florence Douglas (Senior) center. It will be a lot of fun. The governing boards of both clubs met on Monday January 28th at the Dennys in Cordelia to discuss upcoming club business. The Christmas party, the summer picnic, our club's August coin show and the April 7th joint club celebration were discussed in detail. We need all your participation and

volunteering throughout the year. Let's make it one of the best ever. We held nominations and elections at our January meeting and all club positions except Secretary were filled by the same current volunteers. President = David Trimingham; Vice President= Bill Bartz; and Treasurer= Scott Griffin. I (the president) am still doubling as the secretary and I could use some help. Please let me know what you like about the Newsletter and what you might want changed.

We had one new member join from afar (Shasta Lake) so he might pop into one of our meetings once in a while. Be sure to say hello. Please keep trying to recruit and promote our Fairfield Coin Club. Don't let this neat hobby shrink. Our club along with Vallejo's and one other local club are supporting the "Coins for A's and B's program. We will be checking students report cards (Middle School and up). If they have an A they can get an "Ike" silver dollar from our joint clubs treasury collection. Should the student have multiple A's they get that many Ikes'. Also, if the student has B's they receive that many Kennedy Half Dollars too. It pays to be smart and hopefully more young students will join the hobby. This is a test program that we are promoting, so please help us get the word out in support of it.

2019 dues are now due and payable to the club secretary. Membership prices have again remained the same at \$10 dollars. Our club has approximately 48 members and many are life members so if you are not a life member please pay your \$10 dollars for the full year of 11 months, which helps pay for the newsletter and drinks at the monthly meetings.

Would you like to practice your public speaking? How about teaching a coin, precious metal, or paper money lesson this new year at one of our clubs Wednesdays meetings. Please contact one of the clubs officers to make arrangements. A projector screen can be made available. Unfortunately, where we meet there is no WIFI for a laptop. Please get involved and volunteer a lot this year.

Food, Kids Club, door prizes and auction donation items are always welcome and appreciated.
