Presidents Message:

Howdy all you Fairfield Coin Club life members, members, and guests. Thanks for coming out to our first club meeting of the year on January 25th. We had a good crowd of 20+ in attendance. The weather (cool and dark outside) was very cooperative for our 6:30pm meeting. Just to let a lot of you know who can't attend our meetings, we do open the church facility at 5:30 pm for socializing and snacks. This used to be our Kids Program time, but WE NEED KIDS. Bring back the Youth. Cub Scouts, Girl Scouts etc...Promote

our coin collecting hobby. It is one of their badge requirements to collect something so let's make it COINS!

At tonight's meeting we held our officer nominations and elections and swearing in ceremony by Mr. Michael S. Stan Turrini. See the picture below to see who we are. Positions are for a one (1) year term for 2023. Thank you for your support. Now please volunteer to support our club's future fundraising events and fun stuff that we do. We always have food at our events and we want to keep it that way and make healthy choices. Hopefully you are still on track with the New Years Resolutions that you made. Eat less, eat healthier, exercise more, and collect coins.

We had a very special guest at our meeting tonight a newborn Berry Family member. "Johnathon" was his name. Momma and Poppa and grandparents are very proud. Time to start a 529 educational IRA with Gold and Silver coins...Congratulations!

"Out of the Blue" Special club member visitation by "Russell Leach" Wow -sure has been a long time. Thanks for re-visiting our/your club.

We had four (4) Show & Tells at tonight's meeting and that was fun. We had an auction with about 40 items and Mr. Turrini was our very knowledgeable auctioneer making most of the items sell for a fun and competitive profit. LOL. Oscar R. took home the 50 / 50 Raffle (again) and most everyone else received a door prize. We even played a spur of the moment game show host type game of High and Low on a \$50 dollar bill with Gene B winning with a High added up number score of 48 on his \$50 bill and he won a prize for that.

Birthdays: January 17th was club member Russell Leach

January 24th was club member Lori Berry

On a special note: we received a letter from Life Member Ms. Felice Koblos from Oregon which I read to the members present at our January meeting. This was neat to hear the latest and greatest news from other members of our club. We would hope to hear from others that have been away for a long time. Keep the faith. Keep collecting however and what ever you collect. Stay happy and in touch. Many of our members remembered her and her dad: Steve Carbonaro and her mother Juanita. Keep the letters coming.

Don't forget to mark your calendars for Sunday May 7th at Pietro's #2 Italian Restaurant (luncheon) in Vacaville at 12 noon, for our coin clubs 50th anniversary. Reservations can be made now. Cost is \$30 dollars Make checks payable to Fairfield Coin Club.

I am probably forgetting something to say in my message so sorry for that, but do try and make our next meeting in February on the 4th Wednesday of the month which is the 22nd. See you there. Oh yeah, don't forget to pay your 2023 Fairfield coin club dues for \$10 dollars. "COVID" is not creating free dues anymore.

Any questions you can always call or email me at 707-761-9752 or email at movieman8@comcast.net.

See who you elected..... Thank you for your support.

ATTENTION:

The following Fairfield Coin Club people receive this "Moneygram" Newsletter via snail mail. If you have an email and want the club to save .63 cents per mail out then PLEASE let me know and I will email you future copies. The email version is in color and many times has club pictures in it. Thanks.

Also, many of you who receive this MoneyGram newsletter either by mail or email; our members have not heard from a lot of you who do not show up at the 4th Wednesday of the month meetings so I am asking you PLEASE, PRETTY PLEASE, tell us something about your current status in this hobby and your life in general. We can feature a new or past member at each meeting and then you can read about it in the next MoneyGram edition. No pressure just tell us about the missing years. Have they been good to you (hopefully YES). Please try and keep your autobiography SHORT and no obituaries LOL! I am enclosing one FOREVER stamp for you so you can send it to me, and I will read it at the next meeting. Thanks for doing this. It will make the Newsletter even better with lots of good juicy drama. Just try and keep it P G – 13 Ha ha...Can't wait to hear from ya all.
