Presidents Message:

What will your 2023 New Year's Resolutions be? Don't forget to always look back at our Solano Coin Clubs Website and read past issues you might have missed. If you are not receiving this newsletter, please find a way to tell me (The President/Secretary) so we can get you the important news. We need a secretary so if you are interested in that position, I can tell you how to do it. It is not all that complicated, and you can list your experience on a job resume (Lol)

Last month's November meeting was a good one. We had a special guest "Downtown Ronn Brown from KUIC radio. We had 20 members in attendance and lots of goodies to eat. We had a fun auction too.

Our Fairfield's Coin Club 50th anniversary will be held at Vacaville's Pietro's #2 for our celebration location. A deposit has been secured for Sunday May 7th. Mark your calendars for that Sunday ahead of Mother's Day. It will be a luncheon format. Cost is \$30 per person. More to come on the agenda.

I just attended the January 5th Vallejo Numismatic Society's (VNS) first coin meeting of the year. It was fun for the first one of the year. Their food for the evening was outstanding. They had 4 Show & Tells and lots of announcements for the upcoming year. Their president George L. was under the weather so

prayers to him and a speedy recovery. There were no birthdays or anniversaries to mention for this month. Nice door prizes and a hefty \$87 dollar 50 / 50 prize was awarded.

For many of you that live far away in Oregon or Washington or elsewhere, we miss you but would hope you could write to us at our P.O. Box 944 Fairfield, CA. 94533. Please drop us a line to read to our members who are still alive and curious about you. Best wishes to you all. I am enclosing a forever stamp so you can write back to us. Thanks.

Any questions you can always call or email me at 707-761-9752 or email at movieman8@comcast.net.
