### Presidents Message:

Well, the year is half over now. Where did all the time and money go? Start getting ready for Christmas as the saying goes "Christmas in July" Only 117 days til Christmas. Our last meeting in June was a good one but on the HOT side

temperature wise. We did the usual coin club meeting stuff, yummy food (thanks to all who brought goodies) to eat, Pledge of Allegiance, Roll Call of Officers, Announcement of New Members (None tonight), our Treasurers financial statement (we are doing great and in the BLACK), Birthdays & Anniversaries, Health report of members (Prayers to Irene Carrillo; we hope you feel better soon), Announcements, and "Around the Room" sharing What's on your Mind. We discussed some OLD Business and then moved on to NEW Business. Our Upcoming Coin show at the Vacaville Moose Lodge is happening but the date changed by one (1) day from Saturday the 13<sup>th</sup> to the Sunday the 14<sup>th</sup>. The Moose Lodge apologizes for the inconvenience and gave us a new and improved / lowered facilities rate so we should make a little money from this event. Please don't forget to purchase your raffle tickets too. There are 10 prizes to be won= 3 gold items and 7 Silver Eagles. You must play to win. Support your club. Next, we all took another short break to EAT MORE (LOL) and socialize. We came back from a 15-minute break to finish strong with several "Show & Tells, Door Prize give-a-ways, 50 / 50 raffle, Auction lots called by Michael S. Turrini, and finally the end of night club raffle. What a night! Thanks to all who participated and came away with something new and educational.

Next month's meeting is July 27<sup>th</sup>. See you all there. Bring a friend and a Show & Tell. I am compiling the names of members who do a show and tell, and I will put their names in a bucket to win at the end of the year a silver round, don't forget to mark your calendars for several upcoming events. July 31 Woodland Coin Show, August 14<sup>th</sup> OUR coin show. Sept 24<sup>th</sup> Joint club's Picnic and more. A special shout out and thank you to Garys wife for taking awesome minutes which makes my job so much easier, but I want her to receive the credit.

Soon, we need to be thinking about March 2023 and our Fairfield Coin Clubs 50<sup>th</sup> Anniversary (1973 to 2023). Come share your thoughts and ideas as we plan for a fun day of recognition, i.e., a banquet? Raffles, Cake & Ice Cream, City Proclamation, club bronze medals/ tokens / casino chips? We are looking into location sites. One so far is Pietro's #2 Italian Restaurant in Vacaville Help us plan this together.

Hello! Thanks For Visiting the Web site for Solano County (California) Coin Clubs!

This is a joint site for the four active local coin clubs and organizations based in Solano County. We are glad that you are visiting our site and hope this might inspire you to attend one of our future meetings and events. Alphabetically, we are the Fairfield Coin Club, of Fairfield, California, the Northern California Numismatic Association (NCNA), which has its base in Vallejo, California but is a regional organization encompassing the entire Northern California environs, the Solano Silver Round Club, also based in Fairfield, California but with membership from across our entire nation, and the Vallejo Numismatic Society, commonly called the Vallejo Coin Club, also based in Vallejo,

California. All are active and offer many opportunities to enhance, to educate, to excite, and to enjoy one's coin hobby.

Numismatics, the proper name for coin collecting, is a universal hobby, one for families as much as individuals. Today, the coin hobby is called the  world of money,  and the aforementioned groups offer activities and events to enthrall with has been called  the hobby of kings and the king of hobbies. .

Many of our members are involved and attend meetings events of all Solano County's coin groups. Two clubs, Fairfield and Vallejo, hold annual joint socials, and three have coin shows. NCNA works to improve the coin hobby throughout Northern California. The Solano Silver Round Club is a specialty group devoted to silver enthusiasts.
