Fairfield Coin Club's President Message:

Greetings from your Fairfield Coin Club President. I hope you are all well and getting ready for better days ahead. "Summer here we come", ready or NOT! Last month's May meeting was fantastic. It was great to see so many of you back. We had a record turnout. We even had several guests, and some became (FREE) members on the SPOT, as this year is totally FREE! (Normally. It is \$10 dollars per year, unless you are already a LIFE member) . On another note, our club was fortunate to get a cheaper location for this year's Fairfield Coin Show (unfortunately in another City: Vacaville) It is scheduled for

"Saturday" August 14th at the Vacaville Moose Lodge from 9 am to 4 pm. We want to make money when we host this once a year fundraiser for our club and it has been getting more and more difficult to turn a small profit with the Fairfield Civic Center charging almost \$1500 for a one day show. We have to sell a lot of Raffle tickets to recoup that expense besides advertising and postage and the cost of the prizes that we would give out normally. The Vacaville Moose Lodge has graciously assisted our club in this matter. We still need our members now more than ever to "Step Up" and volunteer to make this show go on and be

successful. Start saving your money and buy something from one of the vendors at our show. This show in the past was normally held around the same time frame but always on a Sunday. We are trying something new for a change. Please support us in this excellent event. I just went to the Sacramento Coin Show (June 4th) and it was a big success so we can hope for that as well. People want to get out and socialize and buy their favorites and not just on E-Bay or Home Shopping Network. We hope to see you at our next local coin club meeting at our regular location. No more "Zooming" our meetings. We still have plenty of Masks and hand sanitizer if you need that upon entering. Bring a Show & Tell and an Auction item to sell off. Have fun but first you have to come out! Bring a healthy snack item to share too. Last month we were a little bit short on the healthy side of goodies. We need more meat and proteins. If you are interested in leading a discussion on any topic about coins and money we would love to schedule you into a future meeting. Topics can vary from Conterfeiting to Grading to Cleaning coins to Cyber Currency etc. The sky is the limit to talk about coins, and paper money foreign and domestic.

I want to thank several of our club members for their generous monthly

.....
club donations of food and drink and door prizes etc. You are all AWESOME! I also want to especially thank the Vacaville "Solano Gold & Silver store" for their donation/contribution of two (2) Silver Eagles for our upcoming raffle that we hold along with our August Coin show. Be sure to remember to thank them whenever you visit their store. They still have fun Thursday Silent bid coin auctions in their store so check it out.

Attention: Postage Stamps are going up in cost to .58 cents by the end of August. Buy your "Forever" stamps now still at .55 cents. Hurry! If you have an email address please let us know so we can keep our club expenses down.

Well, that is a mouthful of words that I just typed and you just read. Sorry that it was so long but we had a lot to say to you all. Please come to a future 4th Wednesday of the month Fairfield Coin Club meeting. See you all this Wednesday June 23rd at 6:30 pm.

Fairfield Coin Club's Secretary Message:

As we plan and prepare for our 'Fairfield Coin Show' on Saturday

August 14, I would like to remind our Fairfield Coin Club member that the success of this event, requires the support of EVERY member in our club. I would like to coin a word that comes to mind for a desired success , the word is: VOLUNTEER. If we all do our part volunteering in any capacity we are able to, our club will be in a position to continue to be here for you in this

excited world of collecting. You can volunteer your time, any skills that you have acquired, perhaps you have resources available. All this for as little as you can provide will make a big difference, and we all will benefit of the outcome of our successful coin show. PLEASE VOLUNTEER.

Thank you for reading.
