PRESIDENTS MESSAGE:

Meeting #558 - May 22nd, 2024 Presidents Report

Well, May is over, and it was a good month. Gold and Silver prices have skyrocketed upwards to new highs. May day, Cinco De Mayo, Mother's Day, and now ending with Memorial Day closing out the month of May.

Our coin club meeting last night had 37 people attend it. WOW! We had 3 ladies sign up and become new members. Welcome aboard! We had lots of good social numismatic and friendly discussions. We had good food and beverages available on this rather warm evening of 84 degrees.

Special thanks to all those who regularly donate and bring in yummy things to eat. Thanks to those who donated monies or various beverages to our variety collection. We have water, sparkling flavored waters, Diet Coke & Pepsi, Dr. Pepper, Ginger Ale, Lemonade, Apple, and Orange Juice and more. If there is a special beverage that you enjoy, let us know and we will try to stock it.

Like every monthly meeting, we have "Show and Tells" (4 tonight), FREE door prize raffles, a 50/50 drawing, a club members auction (usually up to 10 items allowed) and ending the meeting with the club drawing. Tonight, I played a simple game with the audience asking for a coin in their pocket (foreign or domestic) that is the oldest would win a \$2 dollar bill and we had two winners, Don B. and Dan D. It was a fun night. The meeting even ended a little early at around 8:08pm. Thanks for those who stayed and helped clean up the church room where we meet.

Our next meeting will be the 4th Wednesday of the month of June, which is the 26th. See you all there and more. Recruit a friend to come check us out and join our club. Don't forget our sister club in Vallejo, which meets the first Thursday of each month at 6pm at the Senior Center. Also, on June 30th (Sunday) in Vallejo is their 75 anniversary Hawaiian themed/birthdays celebration. Sign up now for just \$20 per person. You immediately get back a \$2 dollar and \$5 dollar STAR note and other neat door prize stuff. A delicious meal is provided as well. See you there.

Well, on a final note, I want to tell everyone that "George Locatelli", Vallejo's Coin Club President was back from his medical issues he had two months ago from a fall. Welcome back, George, who is a member of our club. Also, Mr. Turrini was recognized for his two (2) coin articles that were published in last month's Coin World and Numismatic News magazines. He also did a great job as our auctioneer tonight. Gene Berry did an excellent job too as our raffle ticket puller. I even won one prize. Til our next meeting, be safe, have fun and keep collecting and promoting our wonderful hobby.

Looking forward... In June, we will celebrate D-Day June 6th, Father's Day June 16th, Juneteenth 19th, and all weddings and graduations. Lots to celebrate!
