

**MAY 2020**

## **MONEYGRAM**

**Hallelujah! We are having an actual physical meeting, Wednesday May 27th! Also a ZOOM meeting at this meeting for those of you that might still feel unsafe even with our masks, hand sanitizers and 6 feet apart social distancing.**

The church has no problems with us meeting and we are fully paid up on this year's rent. We will abide by the State of California's gatherings of 10 people or less and keep our distancing at 6 feet or greater. At this first meeting back we expect attendance to be low. That is why we are also trying another ZOOM meeting at the same time from our on-site church meeting location. How cool is that. You can meet and greet, but just cannot EAT! LOL! Save on the calories.

Originally this would be a big Cinco de Mayo Mexican food themed night, but we are just asking you to bring your own "healthy" item(s) to add to what others bring. Since this is our first meeting starting back up we do not have a clue as to who and how many might show up, but I will bring in two Costco pizzas and Girl Scout cookies, so if you come, be hungry but share. We want to make sure that we have enough.

Scott Griffin (our clubs Treasurer) will be hosting the ZOOM meeting while we are also having our actual meeting, so if you are a Zoomer you can still feel like you were at the meeting. We will do the Pledge of Allegiance, roll call of officers, birthdays and anniversaries announcements, health report of members, and all the other stuff that we do at a normal meeting. No Auction this night though.

Should you decide to attend our official Fairfield Coin Club meeting number 513 you are most welcome to attend physically or via computer internet by using the ZOOM **call in number: 965 091 6395** and the **Password is: 3Ew8Fk** Meeting time is 6:30pm and it will last for 40 minutes as that is how Zoom meeting protocol works since it is FREE for us to use. Hope to see as many of you that can make the meeting physically or electronically.

April 22<sup>nd</sup> meeting minutes of the last Fairfield Coin Club held remotely via ZOOM and hosted by Scott Griffin. This first of a kind meeting event actually turned out pretty good. During the 40

minute official meeting #512 we had 10 members and guests attend. We conducted a regular meeting just like if you had actually been there with the Pledge of Allegiance, Roll call, Introduction of guests, Treasures report, health report, birthdays and anniversaries, Show & Tells and announcements. We even gave out special door prizes of a \$5 dollar Baskin Robbins Ice Cream gift card which we mailed out to those who called in. We even had a drawing for a "Walking Liberty Coin" and Gene Berry won it. Congratulations.

We did not conduct the Soda/Water raffle drawing at this meeting but hope to at the next month's meeting on May 27<sup>th</sup>. We will raffle off one (1) Silver Eagle to the lucky winner who donated either a case of soda or water or a \$7 dollar donation. Good luck.

We had several Show & Tells presented over the computer "ZOOM" internet and it was actually kind of fun experimenting with this format. I still like the old way but it was unique.

As to announcements, our show is still on for Sunday, August 16<sup>th</sup>. We are in the process of selling raffle tickets now for the 12 prizes. Six gold coins just like last years and six Silver Eagles as well. Don't forget that if you sell \$100 dollars' worth of tickets you will get a Red Book and a Silver Eagle. Wow what a deal. Time to start buying and selling our clubs raffle tickets as this is our one and only BIG fundraiser of the year. Support your club. Only about 82 days till the show so start promoting and selling tickets. We have 3000 tickets to sell! We can do it!

*Upcoming themes for our meetings:*

***May 27—Cinco de Mayo – Mexican coins + May (Pole) day tokens + Memorial Day memorabilia -Military coins***

---
