Presidents Message

The time that we are living in right now is very interesting. It is not always easy, but it is worth it. Hang in there everyone. Our Coin Club hobby of Numismatics is a special one. History is important and it is neat that we can study it through world currency: coins and paper monies. At our upcoming meeting I would like if you could share with other members there your feelings and concerns about where the direction of this wonderful hobby is heading. Times are tough and some clubs are only meeting now just once a month. Some club are changing their meeting dates or locations. Many coin clubs are skipping their annual coin shows. Wow! We are still having ours in August, on Saturday the 13th. Please support it and come. Tell many friends and family. Help us advertise our 1 - day coin show in Vacaville at the Moose Lodge and

please buy and sell our club's fundraising raffle tickets. If you would like to have a specific coin theme discussion some future month let me know so we can plan for it. This month is anything related to the month of May.. May Day, Cinco De Mayo, Mothers Day, and Memorial Day. Please bring in a "Show & Tell". If you have a coin or paper money item that you no longer want, try our members auction every month and see if you can sell it for a fair price. Best wishes fellow coin club members. I hope you like this "Moneygram" Newsletter. Get ready for June events i.e. Graduations, Weddings, Flag Day, Father's Day, Juneteenth, and more. Find a coin story surrounding these themes. Coins, Medals, paper monies, stamps etc. . . See ya at our next meeting. Come hungry. . . . I will bring Mexican Food items. What will you bring to the table?
