Recently, we were also informed by his wife, that Robert "Bob" Baldwin passed away last year. He had not been to our meetings recently, so many did not know him, but we send sympathy to his wife, Linda.

PRESIDENTS MESSAGE:

September 2025 - President's Message

Tonight's meeting was dedicated in "Steve Morgan's" memory. He passed on July 27th. He was a member that would visit our club from Lake Shasta. He will be missed. R.I.P. Also, tonight we were missing Michael S. Turrini, who had his other knee replaced. He is slowly recovering as Dr. Lloyd Chan has been giving us constant updates. He is in Vallejo Kaiser. Heal quickly! The club sent a signed card to him.

Tonight, we had 30 people in attendance! Great! We had two guests present. We had a full quorum of our board officers present. The meeting started on time at 6pm and ended at 8:18pm. We had 5 Show & Tells and an excellent talk and slide show on "Dragons" on coins by Frank P. Past President Gene Berry called the auction, and everything SOLD, so there were no sayings of an item "Not Tonight" being unsold. Great job Gene. He also doubled as the famous late Ed Hoffmark conducting the end of the night club raffle and mentioned Ed's signature "indubitably" saying.

We had delicious food - Popeye's chicken, macaroni and cheese, baked apple crumble, potato salad and more. We even had ice cream and popsicles again. Thanks to all who consistently donate food, sweets, and snacks.

Next month, we will have Ken Barr give a presentation on the ABC's of Numismatics. You don't want to miss it. Don't forget in late September, on Sunday the 28th, is our Joint Vallejo/Fairfield Fall Picnic in Vallejo at Highlands Park. Price is just \$5 dollars. We already have 19 people signed up.

I want to thank a special Vacaville donator "TED" from "Clipper Cargo" who consistently donates numismatic items for our monthly meetings for our raffle. He donated a special Proof Silver Eagle for our Coin Show raffle too. I also want to thank Gene Berry and Vince Clegg, who have donated multiple numismatic items for raffles and door prizes. Also, if you have anything that you no longer wish to keep in your collection(s) we have our famous "Jubilee Box" which would love to have your items. The Jubilee box is many times worth more than the 50/50 drawing at our Joint Christmas in Vallejo.

Only three more meetings left for 2025. Let's end the year strong. If you are interested in a committee position or want to run for one of the four board officer positions, we will be nominating in November and electing in January. Currently, our wonderful Monica is filling two positions as Secretary and Treasurer, and she needs a break. Please consider running for a position. We will help you learn your position.

Well, that is all for now. I hope you enjoyed the read. Come next month and bring a friend.
