### **2017 VALLEJO COIN SHOW ANNOUNCED**

The **Forty-Fifth (45th) Annual Vallejo Coin Show**, sponsored by the **Vallejo (California) Coin Club**, has been scheduled for the ***Third Sunday, May 21, 2017***, and the venue will again be the **Florence Douglas Senior Center, 333 Amador, *between Georgia and Florida, in Vallejo, California.***

“We investigated other options but have concluded that the Senior Center has proven an excellent venue for our one-day Show, and this is confirmed by evaluations from our bourse dealers,” reported Edwin T. Hoffmark, Jr., the Society’s current President.

“The Senior Center allows one large main room for the bourse, with twelve foot (12’) tables, plus small side rooms for any meetings or activities. The Center welcomes our Show, which is convenient to two major street arteries, and it has ample free parking plus convenient access,” he added.

Since the tables are twelve feet (12’), bourse fees are calculated per foot, and tables would be reserved as a whole, at twelve feet. Bourse Applications shall be ready by September 2016. The Bourse Coordinator remains Edwin T. Hoffmark, Jr., and he may be reached at **707-642-8754** or [paper4coin@yahoo.com](mailto:paper4coin@yahoo.com).

The Show would continue with its other established activities: information and youth tables, drawings, displays, and an on-site luncheon service.

The Vallejo Coin Club meets monthly, on the First Wednesdays at 6:30 PM, at the Florence Douglas Senior Center, 333 Amador, between Georgia and Florida, in Vallejo, California. Enter via the rear of the Center, facing the bocce courts. Meetings are open to coin hobbyists of all interests and ages and include occasional guest speakers, Show ‘Tells, Door Prizes, and other activities.
